

## **SMBNEP Program Areas**

### **Coastal and near shore restoration**

- Kelp restoration: goal to restore 150 acres of kelp forest; 40 acres completed.
- Abalone restoration: restore native red, green, and white abalone populations.
- Dune Restoration Program:
  - Santa Monica Beach dunes: restoring 3 acres of Dune habitat in partnership with the city of Santa Monica. Planted 10,000 native plant seedlings, first snowy plover in 70 years nested at the site
  - LAX dunes: restoring 48 acres of Dune habitat in partnership with LAX and Friends of LAX dunes. This is the largest contiguous parcel of Dune habitat in Southern California (is this right?)
- Malibu Lagoon: 31-acre shallow water estuary restored in 2013. Currently conducting post-restoration monitoring for?
- Ballona Wetlands Restoration: Draft EIR/EIS out for public comment
- Monitoring ocean acidification in partnership with LA sanitation district?

### **Community Outreach**

- Organize community-based restoration events at Ballona, LAX dunes, Santa Monica Beach dunes.

### **Ongoing pollution prevention programs**

- Boater Education Program: provide peer-to-peer education and outreach, mobile pump outs.
- Clean Bay Restaurant Certification Program
  - Participating restaurants follow six key practices: xxx
  - Currently 400+ restaurants in 11 coastal cities are participating
  - Manage and recruit new participants
  - Pilot Rethink Disposable source reduction program with 1 – 3 restaurants (extra \$25,000 from headquarters to support this project)

### **Green Infrastructure**

- 5 TMDL/ water quality improvement/ LID projects (~\$9M -Prop 84)

### **Revise Comprehensive Conservation and Management Plan CCMP/Bay Restoration Plan**
